

# Thanks to all

Dated 6 August 2013

Dear citizen,

Trust by the grace of God you are doing fine.

With a humble appreciation we acknowledge the receipt of your kind donation / contribution for the relief of the survivors from the recent devastation in Uttarakhand.

We know we can always count on enlightened citizens / organisations in these inconsolable surroundings where we set our jaws in grim determination to carry relief to as many starved as possible.

At every turn in the Himalayas our relief team confronted with an inhabitation in utter desolation flailing out in every direction for help. Village after village had been ravaged by floods and landslides. The survivors who lost everything immediately needed most basic things like food, clothes and medicines to move on.

It is at this juncture that your angelic help arrived. And our monks and volunteers faced extreme hurdles at every inch, even life endangerments on a few occasions, to carry relief material to as many needy as possible.

After 45 days of uninterrupted relief operations, now we are winding up our camps from today i.e. 6 August 2013.

**Therefore, henceforth please do not send donations for Flood Relief. However, you can always contribute towards medical relief for the injured and sick victims in these Floods and villagers from the interiors of Uttarakhand visit this hospital for medicines, diet and treatment as THIS IS THE ONLY HOSPITAL AFFORDABLE FOR THEM.**

We once again thank you all for your contribution and help without which we could not have done whatever we did.

Please find enclosed a Report on Flood Relief at Uttarakhand for your kind reading.

May God bless you and your family with peace, happiness and prosperity.

Yours in the Mother

Swami Nityasuddhananda
